BUILT TO LAST A LIFETIME

For over 30 years, Al-Mar Vinyl & Aluminum Products has been a trusted fabricator and distributor of premium vinyl railing systems. Designed for lasting beauty and performance, Al-Mar railings combine clean lines, low-maintenance materials, and dependable strength to complement any residential or commercial project.

Manufactured with quality craftsmanship and attention to detail, Al-Mar vinyl railing systems are engineered to withstand harsh Canadian climates without warping, rotting, or fading. Our extensive inventory and in-house fabrication capabilities ensure consistent quality, quick turnaround times, and reliable availability when you need it.

Whether enhancing a backyard deck, porch, or multi-unit development, Al-Mar railing systems deliver timeless style, long-term durability, and peace of mind—backed by decades of industry experience.

ULTRA LOW MAINTENANCE

AL-MAR Vinyl Railing systems are the ultra low maintenance choice.

Unlike wood, which continuously needs painting and staining, AL-MAR Railing Systems keep their attractive appearance year after year with an occasional rinse from a garden hose.

VINYL IS FINAL

AL-MAR railings are designed to last a lifetime. A unique vinyl formula is utilized that results in an exceptionally strong and durable railing that will never need painting or staining.

PERSONAL CHOICE

Choose a look that best suits your style. AL-MAR offers multiple choices in picket types, caps, colours, top rails, lighting, columns and more. Create a look that perfectly accentuates the character of your home.

Complete the look with AL-MAR Decking and enjoy a beautiful low maintenance porch for a lifetime.
